“Haak’s Vineyard Facts”

If I may be direct,
I’d taylor my wine for this set.
But I’d leave out the time,
it takes it to ferment primed,
`cuz 52 years now perfect.

There’ll be no de-funded loans,
signed for bottles unknown,
from fake bars that do `cuz they don’t.
And if another says no,
well just loop here and show,
`cuz we always say yes just select.

Pour out their vino and come to:
Haak’s Vineyards and Winery.
We’re Just Down the Road.
In Santa Fe You’ve Been Told.
And If You Come We Know You’re Comin’ Back.
That’s Haak’s Vineyard Facts.
