## **“Acts 2:1-21”**

And when the day of Pentecost, was fully come,  
they were all with one accord, in one place.  
And suddenly, there came a sound from heaven,  
as of a rushing, mighty wind,

and it filled all the house, where they were sitting.  
And there appeared unto them, cloven tongues,  
like as of fire, and it sat on each of them.  
And they were all filled, with the Holy Ghost,

**Receive the Gift. Receive It Tonight.  
Behold All the Blessings God Planned In Your Life.  
Believe In His Word. Then Watch It Uplift.  
Your Eternal Salvation Will Be Glorious.**

And they began to speak, with other tongues,  
as the spirit, gave them utterance.  
And there were swelling at Jerusalem, Jews,  
devout men out of every nation, under heaven.

Now when this, was noised abroad,  
the multitude came together, and were confounded,  
because that every man, heard them speak,  
in his own language, wherein we were born.

**Receive the Gift. Receive It Tonight.  
Behold All the Blessings God Planned In Your Life.  
Believe In His Word. Then Watch It Uplift.  
Your Eternal Salvation Will Be Glorious.**

And they were all amazed, and were in doubt,  
Others mocking said. These men are full of new wine.  
But Peter, standing up with the eleven,  
lifted up his voice, and said unto them.

Ye men of Judae, and ye that dwell at Jerusalem,  
be this know unto you, and hearken to my words.  
For these are not the drunken, as ye suppose,  
seeing it is but, the third hour of the day.

**Receive the Gift. Receive It Tonight.  
Behold All the Blessings God Planned In Your Life.  
Believe In His Word. Then Watch It Uplift.  
Your Eternal Salvation Will Be Glorious.**

And it shall come to pass in the last days, saith God.  
I will pour out of my Spirit, upon all flesh:  
and your sons and your daughters, shall prophesy,  
and your young men, shall see visions,  
and your old men, shall dream dreams:  
And on my servants, and on my handmaidens,  
I will pour out into those days, of my spirit;  
and they shall, prophesy:

**Receive the Gift. Receive It Tonight.  
Behold All the Blessings God Planned In Your Life.  
Believe In His Word. Then Watch It Uplift.  
Your Eternal Salvation Will Be Glorious.**

And I will shew wonders, in heaven above,  
and signs, in the earth beneath;  
blood and fire, and vapour of smoke:  
The sun shall be turned, into darkness,  
and the moon into blood, before  
that great and notable day, of the Lord come;  
And it shall come to pass, that whosoever,  
shall call on the name of the Lord,  
"Shall Be Saved".

**Receive the Gift. Receive It Tonight.  
Behold All the Blessings God Planned In Your Life.  
Believe In His Word. Then Watch It Uplift.  
Your Eternal Salvation Will Be Glorious.**

# **“To the Other Side”**

Have you ever wondered,  
why you do the things you do?  
Has your mind softly pondered,  
why the sky shades as colors blew?

Single serve two gathered,  
is an answered question alone.  
Beneath the veil of the all creator,  
is the silence heard yet unknown.

Listening is an acquired trait.  
Harmonize interlocking faith.  
Done in time simmering won't wait.  
Holding without grace.

**Living Scared.  
Sure Ain't No Way to Live.  
If God Ain't Got You No One Does.  
Single Out Your Heart and Give.  
Be Prepared.  
Everyone On Earth Will Die.  
But All of Us Who Believe in Christ.  
Will See the Lord's Eyes,  
As We All Cross Over.  
To the Other Side.  
To the Other Side.**

Do you run for cover,  
when the world comes crashing down?  
Or rely on your lover,  
and get rescued like the lost yet found?

I'll suggest the answer,  
but you might think it's a joke.  
Your heart and soul's no punchline baby,  
baptize your-self and soak.

The waters eternal salvation.  
Intertwine with revelations.  
Clear your mind while being patient.  
Then bow and repent.

**Living Scared.  
Sure Ain't No Way to Live.  
If God Ain't Got You No One Does.  
Single Out Your Heart and Give.  
Be Prepared.  
Everyone On Earth Will Die.  
But All of Us Who Believe in Christ.  
Will See the Lord's Eyes,  
As We All Cross Over.  
To the Other Side.  
Oh Lord I Wanna Come Home.  
To the Other Side.**

Solo:

Looking for another,  
is just a waste-of your time.  
You might tell me I'm crazy,  
then I'll show you proof I'm sane my mind.

`Cuz if you really learn to focus,  
on doing right less wrong.  
Then you'll have all the answers,  
that's why God through me He wrote this song.

Praise and worship, "Almighty God".  
Satan's telling you it's all just fraud.  
Stand up now give self-applause.  
'Cuz God's got you I know because;  
You're a lightening rod.

**Living Scared.  
Sure Ain't No Way to Live.  
If God Ain't Got You No One Does.  
Single Out Your Heart and Give.  
Be Prepared.  
Everyone On Earth Will Die.  
But All of Us Who Believe in Christ.  
Will See the Lord's Eyes As We All Cross Over.  
To the Other Side. Oh Lord I'm Coming Home.  
To the Other Side. Where You Are I'll Roam.  
To the Other Side. I Know I'm Not Alone.  
To the Other Side. Goodbye.**

# **“Eyes on Heaven”**

The day that you were born,  
your path was formed.  
It was the likely course.  
You weren't alone, tucked under His throne.  
You felt His warm, cuddlin' adored.

It lead to this day, be here unafraid.  
You'll receive all He has made,  
and it's safe.

**Keep Your Eyes Fixed On Heaven.  
You'll See God Work In You.  
His Plan Guides, Your Love Path Sight.  
His Compass Is the Truth.  
Believe In Your Strides, Throughout This Life.  
'Cuz He's Been There from the Beginnin'.  
See the Light, His Timing Is Right.  
Just Keep Your Eyes On Heaven.**

Don't think of singleness,  
as second best. It's a fortitude test.  
It grants you time, to focus your mind,  
on God's zest, and tenderness.

Then stay in the word, keep God first.  
His holy water quenches all thirst,  
a love burst.

**Keep Your Eyes Fixed On Heaven.  
You'll See God Work In You.  
His Plan Guides, Your Love Path Sight.  
His Compass Is the Truth.  
Believe In Your Strides, Throughout This Life.  
'Cuz He's Been There from the Beginnin'.  
See the Light, His Timing Is Right.  
Just Keep Your Eyes On Heaven.**

solo:

Listen to the sound of love.  
It's from above. An everlasting trust.  
The songs distinct, it helps you think.  
Like an eternal nudge, just a gift because.

He wants you to see.  
Ask your heart to believe.  
Then bow your head and drop to your knees.  
You're now free.

**Keep Your Eyes Fixed On Heaven.  
You'll See God Work In You.  
His Plan Guides, Your Love Path Sight.  
His Compass Is the Truth.  
Believe In Your Strides, Throughout This Life.  
'Cuz He's Been There from the Beginnin'.

# "Eternal Life"

There's this song we sing,  
when society brings on heartache.  
It helps us get through these days,  
in these times we sing as we pray.  
And we know what we can do so remember.

Rise above with the stars and become,  
a person who knows God created.  
The word is good when understood.  
Read daily you'll feel more elated.

And He does love all the people we see.  
No one can stop all these things when we believe.  
He's always gonna be the same.  
But when you need Him too He sure loves change.

**Oh, It's You that We Dream of,  
When We're at Home All Alone.  
Jesus You Make Us Forget.  
All Those Tougher Times,  
from a World Gone Blind.  
You Love Our Hearts.  
We're Blessed with Our Destiny.  
All Your Love Received.  
Eternal Life, In Christ. Believe.**

All we know is what our Father told us.  
Here's some advice to remember.  
He said to me and all who believe.  
Lean on God He is tender.

And never turn your back on a friend.  
Always help up people who need a hand.  
But most of all if you fall get up.  
Trust in the Lord, He'll refill your cup.

**Oh, It's You that We Dream of,  
When We're at Home All Alone.  
Jesus You Make Us Forget.  
All Those Tougher Times,  
from a World Gone Blind.  
You Love Our Hearts.  
We're Blessed with Our Destiny.  
All Your Love Received.  
Eternal Life, In Christ. Believe.  
We Believe, All Believe ...**

Bridge:

**Oh, It's You that We Dream of,

# **“Next to Me”**

**Tonight I Know.  
I’m Where I’m to Be.  
It Feels Right and It Flows.  
You Can Call It Destiny.  
Yea, My Life and My Soul.  
Are Together In Harmony.  
Yea, Tonight, I’m Bold.  
‘Cuz I Know You’re Next to Me.**

Look around, there you are.  
They’ll you’ll be, it’s mapped history.  
The lost and found, is not a permanent scar.  
Sacred creed, adapting mystery.

Time lingers, time is still.  
Put forth with free will, our steps will reveal.  
A walk free, stride with purpose.  
Telepathy, recite these verses.  
Can you hear it’s surreal?

**Tonight I Know.  
I’m Where I’m to Be.  
It Feels Right and It Flows.  
You Can Call It Destiny.  
My Life and My Soul.  
Are Together In Harmony.  
Yea, Tonight, I’m Bold.  
‘Cuz I Know You’re Next to Me.**

Open your eyes, look at me.  
Do as I do, is a phrase in belief.  
Those graced yet bound, tuned to moments on earth.  
Hear the sound, pinpoint the relief.

Thoughts simmer, thoughts propel.  
Advancement of love, live and tell.  
A rest sleep, awaken with knowledge.  
Synergy, understanding solid.  
Absorb it through me. Come close, now.  
You want to believe?

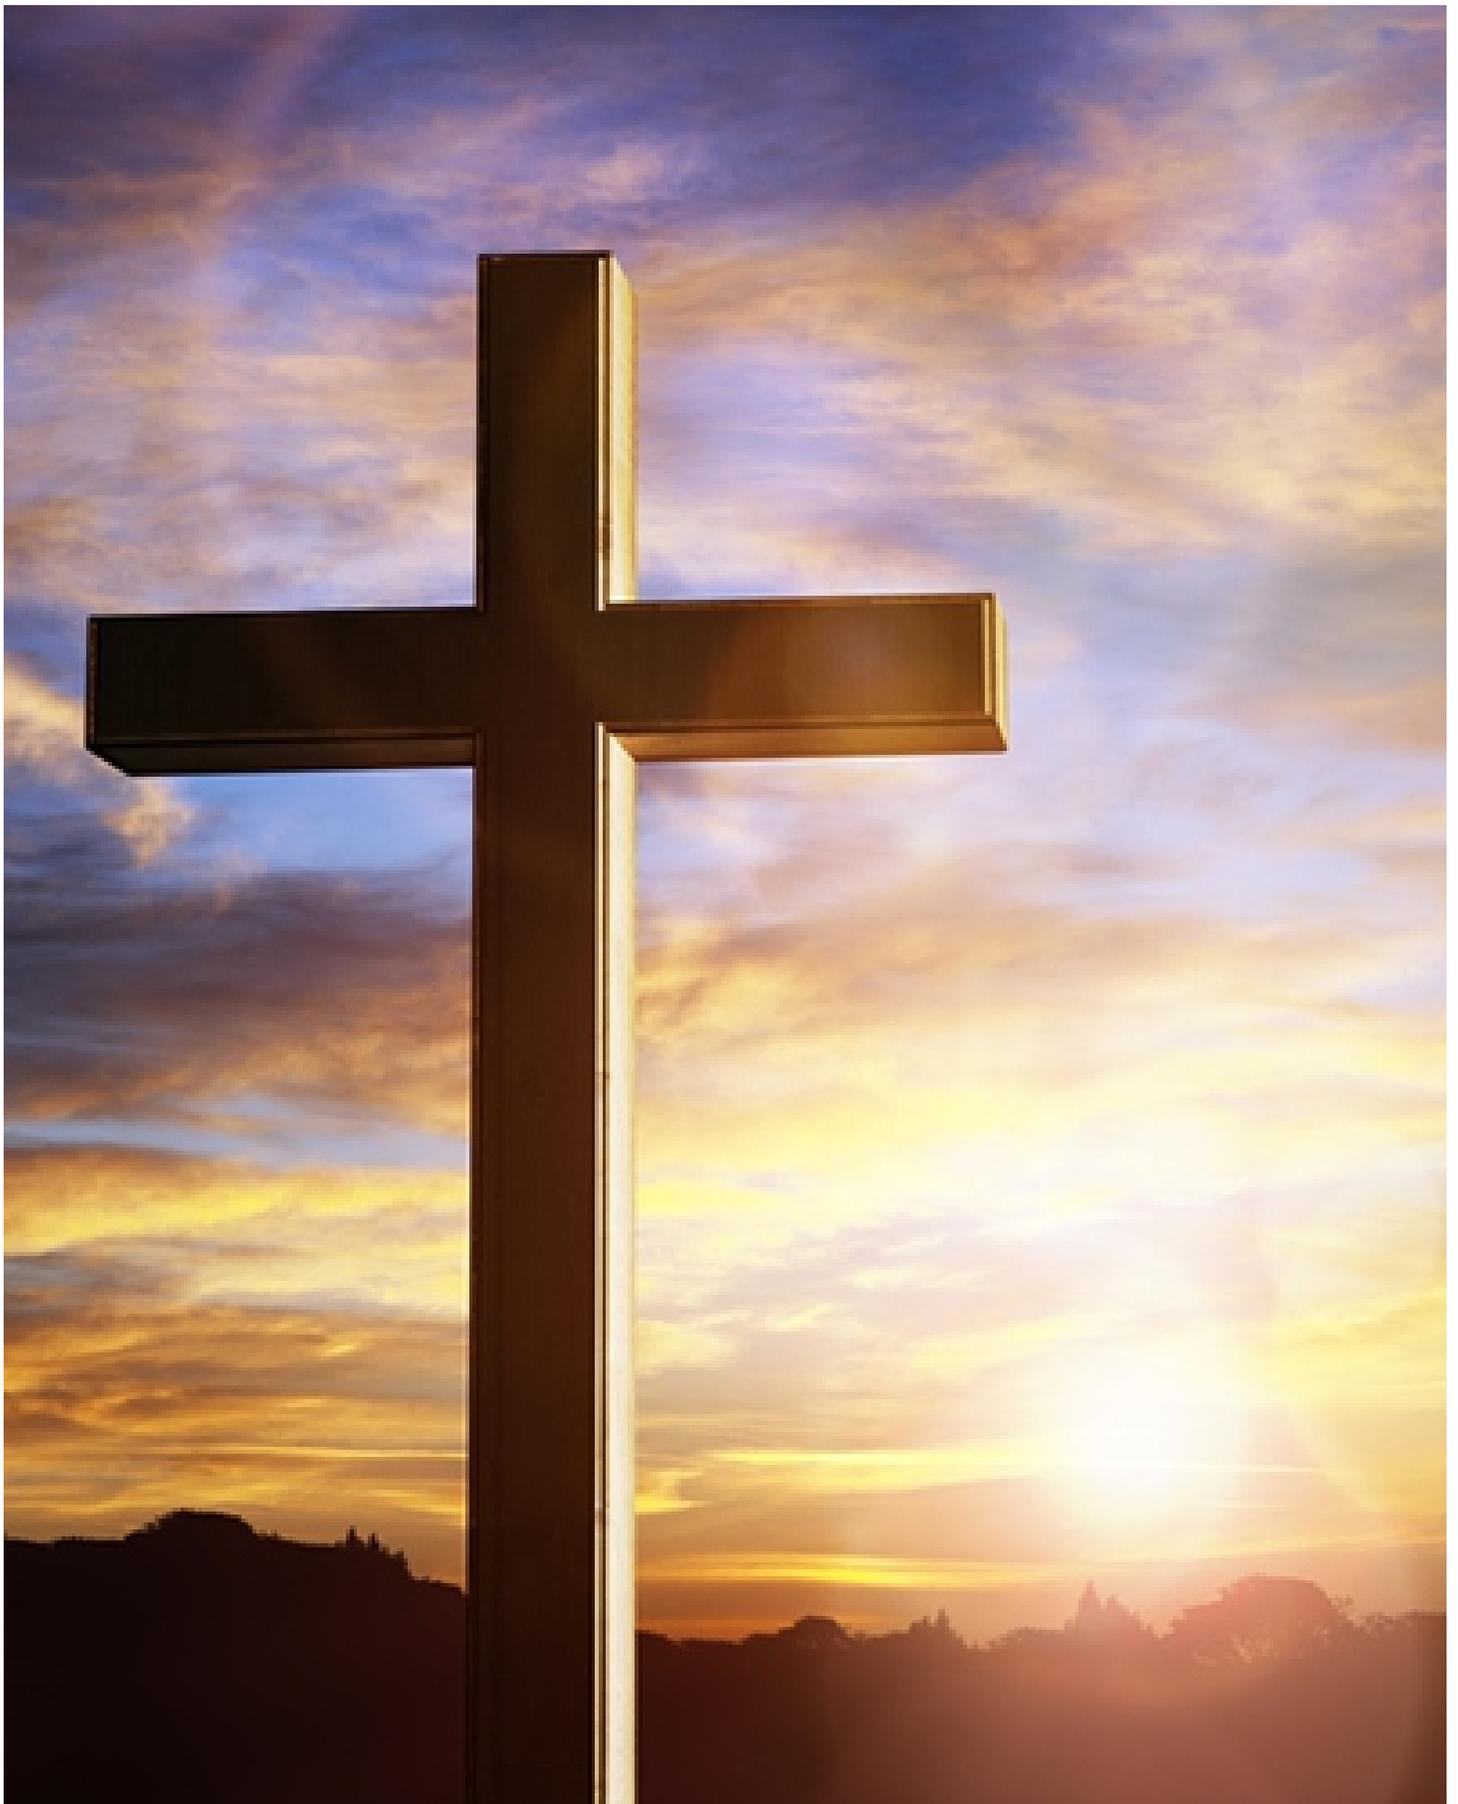

**Yea, Tonight I Know.  
I'm Where I'm to Be.  
It Feels Right and It Flows.  
You Can Call It Destiny.  
My Life and My Soul.  
Are Together In Harmony.  
Yea, Tonight, I'm Bold.  
'Cuz I Know You're Next to Me.**

Stand up strong, filled with pride.  
Lead by example, all dreams confide.  
Each set then achieved, builds your confidence high.  
Inner peace, concede clock arrive.

Metronome, coming home.  
Carved in stone, landing zone.  
There safe, covered in grace.  
Inner space, amen to praise.  
Stand tall, hear the call, rise up saved.

**Yea, Tonight** (yes tonight),  
**I Know** (I've always known).  
**I'm Where** (I know where),  
**I'm to Be** (yes I believe).  
**It Feels Right** (I know it's right),  
**and It Flows** (oh yes it flows).  
**You Can Call** (you go and call),  
**It Destiny** (it is indeed).  
**My Life** (my only life),  
**and My Soul** (is yours to hold).  
**Are Together** (there forever),  
**In Harmony** (like 1, 2, 3).  
**Yea, Tonight** (yes all tonight),  
**I'm Bold** (I'm really bold).  
**'Cuz I Know** (please make it known),  
**You're Next to Me** (yes thankfully).

# **“My Defender”**

When you need a friend, that you can depend-on.  
Any day or night.

Then ask the Lord, He'll be there for-you.  
Bank on it, true lives.

The only way to get in, is not left-out.  
Cryin' standin' drenched in-the-rain.

You have a choice to make, so please don't be-faked.  
It's real, all lost is gained.  
Hallelujah.

**Our Defender,  
of All Things Good In Life.  
Helps Us Remember,  
That All Blessings Come from Inside.  
Return to Sender,  
Is How We Honor Our Lord,  
Be In the Pews, You'll Rise.  
Meet Your Defender,  
He's Awake and Here,  
Don't Miss Him, Absorb His Light.**

So you know this song, it's not that long-but.  
Many pay the price.

By not listenin', to the mysterious whistlin'-He.  
Sings to remove your strife.

You have to get up-close, lean in from your post-rail.  
And find your answer, they're in spades.

He's always right in the middle, arcoin' His fiddle-hail.  
Believe and He'll never fade.  
God be the glory.

**Our Defender,  
of All Things Good In Life.  
Helps Us Remember,  
That All Blessings Come from Inside.  
Return to Sender,  
Is How We Honor Our Lord,  
Be In the Pews, You'll Rise.  
Meet Your Defender,  
He's Awake and Here,  
Don't Miss Him, Absorb His Light.**

I know you know, so I won't be a slow-poke.  
Gettin' to the point, it's now.  
You have to take God's hand, then understand-He.  
Wants you saved, BOOM-POW.  
So repeat after me, from down on your knees-"God.  
I Love You and Invite You In.  
Oh, Jesus Your My Savior, I Leave All My Behavior.  
At Your Throne, Now I'm Born Again.  
In Jesus Name".

**My Defender,  
of All Things Good In My Life.  
Helps Me Remember,  
That All My Blessings Come from Inside.  
Return to Sender,  
Is How I Honor My Lord,  
I'm In the Pews, I Rise.  
He's My Defender,  
He's Awake and Here,  
I Know Him, I've Absorbed His Light.**

# **“He’s Not Alone”**

The Holy Spirit is real.  
The Holy Spirit’s alive.  
The Holy Spirit’s another helper,  
who guides us though our lives.

Has intellect and emotion.  
Bears witness of Jesus Christ.  
The teacher who’s from the creator,  
to bring us up when we dive.

‘Cuz that’s the way God intended,  
for all to be in harmony.  
The Father, the Son and the Holy Ghost.  
Stand up and repeat.

**When God Comes to See Me,  
He Brings Joy to My Home.  
His Love Is All Surrounding,  
Like a Toy to Call My Own.  
He Lives Inside Me Always,  
Even There When I Roam.  
‘Cuz My God Comes and Sees Me,  
and I Know, He’s Not Alone.**

The Holy Spirit will build.  
The Holy Spirit obeys.  
Whatever God speaks unto him,  
will come to pass in days.

Has authority with God's will.  
To convict the lost not saved.  
He tugs on our hearts and minds,  
and when asked we ought to repent today.

'Cuz that's the way God intended,  
for all to be in harmony.  
The Father, the Son and the Holy Ghost.  
Stand up and repeat.

**When God Comes to See Me,  
He Brings Joy to My Home.  
His Love Is All Surrounding,  
Like a Toy to Call My Own.  
He Lives Inside Me Always,  
Even There When I Roam.  
'Cuz My God Comes and Sees Me,  
and I Know, He's Not Alone.**

The Holy Spirit is truth.  
The Holy Spirit empowers.  
Performs the ministerial duties,  
that promote our growth in spiritual hours.

Has divine appointed sight.  
Ordained by God All Mighty.  
He leads our path that's right,  
and cleverly takes care of our fighting.

`Cuz that's the way God intended,  
for all to be in harmony.  
The Father, the Son and the Holy Ghost.  
Stand up and repeat.  
He's all we know and all we'll be.

**When God Comes to See Me,  
He Brings Joy to My Home.  
His Love Is All Surrounding,  
Like a Toy to Call My Own.  
He Lives Inside Me Always,  
Even There When I Roam.

And I Know, He's Not Alone.**

# **“I’m Being Delivered”**

Two young birds on the window seal.  
Cleaning their feathers as the rain appears.  
And they fell in love. (in love, in love)  
Two turtle doves. (in love, in love)

The rainbow glittered the bright blue sky.  
I filled my cup with some gold sunshine.  
And dreamed the day away. (away, away)  
I was blessed today. (today, today)

Lord cover this house.  
Rejoice love all throughout.  
Then please help me to remember.

**I’m Being Delivered.**

(to the other side)

**Over Mountain Mile High Tops.**

**It Can’t Get Any Better.**

(having good times)

**Here Winning Never Stops.**

**I’m Getting Out With the Message.**

(drawn a strait line)

**I Think I’ve Really Got a Shot.**

**To Honor What I’ve Been Blessed With.**

(won’t cost a dime)

**My Salvation Has Already Been Bought.**

**By the Son of God Almighty.**

**Let Me In.**

**I’m Being Delivered.**

Fall blew in as the leaves turned orange.  
As they drift to the ground mother nature is born.  
All is synchronized. (held tight, and alive)  
Through God's eyes. (His site, ignites)

Now the whole world's waiting just stand your ground.  
They're anticipating a wondrous sound.  
God's word tonight. (He knows, what's right)  
Visualize delight. (hold tight, inside)

Lord you know what we're about.  
You'll return us home no doubt.  
We've repented, please take us we surrender.

**We're Being Delivered.**

(to the other side)

**Over Mountain Mile High Tops.**

**It Can't Get Any Better.**

(having good times)

**Here Winning Never Stops.**

**We're Getting Out With the Message.**

(drawn a strait line)

**I Think We've Really Got a Shot.**

**To Honor What We've Been Blessed With.**

(won't cost a dime)

**Our Salvation Has Already Been Bought.**

**By the Son of God Almighty.**

**Let Us In.**

**We're Being Delivered.**

Spring breeze blew fresh scents in the air.  
The humming birds flew and honey bees paired.  
With flowering buds. (in love, they was)  
A towering love. (been blessed, above)

So I'll end this verse with a grander line.  
Hold salvation not father time.  
'Cuz it'll be too late. (don't wait, get saved)  
Baptize today. (get strait, away)

God build me up today.  
I've knelt on my knees and prayed.  
Now it's time for me to step up and be your defender.

**I'm Being Delivered.**

(to the other side)

**Over Mountain Mile High Tops.**

**It Can't Get Any Better.**

(having good times)

**Here Winning Never Stops.**

**I'm Getting Out With the Message.**

(drawn a strait line)

**I Think I've Really Got a Shot.**

**To Honor What I've Been Blessed With.**

(won't cost a dime)

**My Salvation Has Already Been Bought.**

**By the Son of God Almighty.**

# **“I’m Surrounded”**

Snow covered mountains, rising up from the earth.  
Hot liquid fountains, geysering all they are worth.

Rivers flow through valleys alone,  
the lowest totem pole leading the way.  
When it’s time it’s time, they’ll be someone home.  
Better to lead when going to stay.

**I’m Surrounded,  
God I’m Surrounded By Your Love.  
And I’m Confounded,  
God I’m Confounded to Believe and Trust.  
I’m Leaving with You Tonight,  
By the Dawns Early Light.  
I’ll Be In Heaven with You Up Above.  
I’m So Elated and Anticipating,  
and I’ll Never Get Enough.  
I’m Surrounded.  
God I’m Surrounded By Your Love.**

Rain driven sea line, swirling in up from the deep.  
Cold and ravaging front line, accumulating for us to keep.

Rainbows end as time begins,  
the highest mark scope set your sites.  
Along the way, time of day, won’t matter who’s friends.  
All purpose leads granted a knight.

**I'm Surrounded,  
God I'm Surrounded By Your Love.  
And I'm Confounded,  
God I'm Confounded to Believe and Trust.  
I'm Leaving with You Tonight,  
By the Dawns Early Light.  
I'll Be In Heaven with You Up Above.  
I'm So Elated and Anticipating,  
and I'll Never Get Enough.  
I'm Surrounded.  
God I'm Surrounded By Your Love.**

Heat rising from sand, sifting silently through the glass.  
Molding carpentry hands, experienced then used with class.

As the skies appear and open,  
visualize what will always be.  
Time and tone to be known, you'll see hoping.  
The rhythms ordained for all to believe.

**I'm Surrounded,  
God I'm Surrounded By Your Love.  
And I'm Confounded,  
God I'm Confounded to Believe and Trust.  
I'm Leaving with You Tonight,  
By the Dawns Early Light.  
I'll Be In Heaven with You Up Above.  
I'm So Elated and Anticipating,

# "Know God"

In the still of the night, you'll be restless inside.  
It's God molding you to be right.  
In the heat of the day, you'll be fierce but at play.  
He's the boost that carries you away.

'Cuz one to another, prepares life's cover.  
But step out when you feel it's time.  
When you know you know, all roads won't be gold.  
Polish your ride then make it shine.  
You and God rhyme.

**May You Know God.  
Always Feel His Love.  
Never Go Soft.  
Use It to Hold You Up.  
Even If They Say Life's Hard.  
Let It Become Your Smile.  
Awesome Days Appear Aloft.  
Best of Them Create Your Style.**

The color blue in the sky, is scattered sunlight on high.  
It's the earth's atmosphere through your eyes.  
The naked tan in the sand, was eroded with plans.  
'Cuz God made the earth and us man.

Know your sister and brother, are kin from your mother.  
And your daddy's why you get so attached.  
Their love and their hugs, are the way God tugs.  
To pull you in closer, that's facts.  
You and God match.

**May You Know God.  
Always Feel His Love.  
Never Go Soft.  
Use It to Hold You Up.  
Even If They Say Life's Hard.  
Let It Become Your Smile.  
Awesome Days Appear Aloft.  
Best of Them Create Your Style.**

Coming in through the out, pressure fills full of doubt.  
But God holds the reins to your heart.  
Letting go what you know, God directs all the shows.  
Listen in to understand your part.

The final end will depend, on how you begin.  
Free will sets the course on your way.  
Buckle-up and be tough, the high seas will be rough.  
But set sail 'cuz He knows your afraid.  
You were God made.

**May You Know God.  
Always Feel His Love.  
Never Go Soft.  
Use It to Hold You Up.  
Even If They Say Life's Hard.  
Let It Become Your Smile.  
Awesome Days Appear Aloft.  
Best of Them Create Your Style.  
Know God.**

# "Saved"

Here we are, You and I.  
Coming face to face with the truth,  
Lord you know what's on my mind.  
Up until now I could never understand,  
how you could always give to me all that I never can.

And at first I couldn't believe,  
but when you give this to me.  
It's like a light that gives me hope,  
your promise is my gold Lord.

**Take My Hand,  
Up to the Promise Land.  
Love My Soul,  
It's Yours to Hold.  
And I Know that I'll Be True,  
'Cuz Lord I Love You.  
I'll Honor and Obey,  
then Kneel to Pray,  
for Those Afraid,  
to Rise Above Saved.**

All we know, Is what we're told.  
Growing up is awful hard,  
but we can always find our hearts.  
Just don't look down,  
because it all comes around.  
Ask and He'll give to you,  
all that you've never found.

And at first if you can't believe,  
look what He's done for me.  
He turned on the light,  
now I see what is right Lord.

**Take Our Hands, Up to the Promise Land.  
Love Our Souls, They're Yours to Hold.  
And I Know that We'll Be True,  
'Cuz Lord We Love You.  
We'll Honor and Obey,  
then Kneel to Pray,  
for Those Afraid,  
to Rise Above Saved.**

Solo:

Now Listen Carefully,  
"If You Believe You Shall Receive!"  
I can testify to that,  
it's not fiction just the facts Lord.

**Take Their Hands,  
Up to the Promise Land.  
Love Their Souls,  
They're Yours to Hold.  
And I Know that They'll Be True,  
'Cuz Lord They Believe In You.  
They'll Honor and Obey,  
then Kneel to Pray,  
for Those Afraid,  
to Rise Above Saved.**
