# "Ambiance"

The wind blows.  
The sunsets fall, as the stars turn gold.  
A full moon rises, in the shadowing sky.  
A glistening light,  
shines from your sensuous eyes.

I'm paralyzed by your stare.  
The whole world knows, that you'll be there.

**The Rain, the Clouds and Sky.  
You're Everything Money Can't Buy.  
The Snow a Rainbows Light.  
You're Heaven in the Worlds Eyes.**

The river flows.  
The big fish spawn, as the little ones go.  
Before to long, the night settles in.  
To a wondrous sound,  
from a cool and gentle wind.

Then all around the forest waits.  
To embrace, your gorgeous face.

Solo:

Oooohh Ambiance.  
You're the Heart and Soul.

**The Rain, the Clouds and Sky.  
You're Everything Money Can't Buy.  
The Snow a Rainbows Light.  
You're the Reason the World's Alive.  
The Earth, the Moon and Stars.  
You're Everything We Call Ours.  
The Light the Holy Night.  
You're Heaven in the Worlds Eyes.**

Music and Lyrics, 1995: Peter J. Beauchemin

# **“Best of Me”**

Oh, long and lonely nights,  
line up like the cars at five.  
For miles around, time slows down,  
an imperfectly endless sight.

Yeah, dreams begin as I pray,  
will my true love show today.  
I've been holdin' out, 'til the one no doubt,  
for the answers I kneel and pray.

**Oh, God Are You Out There?  
Can You Hear Me Callin' Your Name?  
Will You Help Me to Find My True-Love-Kind.  
You Promised When I Was Made?  
I've Been Loyal and I've Been Patient.  
I'm a Winner Who Still Believes.  
I'm Gonna Ask You to Guide My Purpose in Life.  
Then I'll Give You the Best of Me.**

Lord, thanks for grantin' my wish,  
you delivered all on my list.  
She has a lovely soul, with a heart of gold,  
like angel to reminisce.

Her eyes sparkle with glee,  
she's a beacon who always leads.  
A mother in tow, what a sight to behold,  
I owe you my life indeed.

**Oh, God I Know You're Out There,  
I Can Hear You Callin' My Name.  
You Helped Me to Find My True-Love-Kind,  
as You Promised When I Was Made.  
I've Been Loyal and I've Been Patient,  
I'm a Winner Who's Will Succeeds.  
Thanks for Guidin' My Lovely Wife to Be,  
I Know I'll Give Her the Best of Me.**

Solo:

**I Thank, God that You We're Out There.  
and I Love It When You Say My Name.  
Well I'm Glad that I Found My True Love Now,  
and I Promise I'll Never Change.  
I'll Be Loyal and I'll Be Patient,  
I'll Cook You Dinner and Special Treats.  
I'll Lay My Honored Life On the Line Each Night,  
Babe, I'll Give You the Best of Me.**

Music and Lyrics, 2016: Peter J. Beauchemin

# "Divine"

She's 21, but only begun,  
and she's got her sights set high.  
To make her fly, you've got to shine,  
and still it's an uphill climb.

Well she's gonna be, livin' wild and free,  
swingin' from the top of the vine.  
Nothin' slows her down, she's lost yet found,  
the envy of all mankind.

Oh and you'll believe, her path is destiny.  
Brings hope, true love, she'll rise above...

## **Divine the World and Time, Waits On Cue for You.**

The guys all say, there's hell no way,  
she's in the peak of her prime.  
They'll never forget, who she left for dead,  
every boy who's crossed her line.

Well she's lost a few battles,  
gets right back in the saddle,  
and she wins many shares of her wars.  
To get it right, she learned to fight,  
and she kept her feet on the floor.

And she has grown,  
stood up to claim her throne.  
Humble yet proud, she stands her ground...

**Divine the World and Time,  
Waits On Cue for You.**

Bass Solo:

To each his own, she'll walk alone,  
but her goal is one by her side.  
With memories shared, together there,  
and fears will all confide.

Well who knows who, or what she'll do,  
if you make your move you can try.  
But can you be, the steadfast steed,  
who waits her, "Final Ride".

Oh and I hope, it's me she longs to hold.  
I'll honor, obey, then stand and say...

**Divine, the World and Time,  
Waits On Cue for You.**

**Divine, the World and Time,  
Waits On Cue,  
We Wait On Cue for You.**

Music and Lyrics, 2010: Peter J. Beauchemin

# "I'm You"

All I ever wanted was for you to call me,  
as I wait by the phone, "Well You Don't!"  
All I ever dreamed about, was bein' adored by you,  
now look at me, "Well You Don't!"

My life is so hard; It's always fallin' apart.  
So that's why I decided,  
I'm gonna rock your freakin' world!

**I'm Gonna Run Like the Wind,  
Shine Bright Like the Sun,  
Pirouette Like a Swan,  
Just to Prove I'm Your One.  
I'm Gonna Shoot Like Star,  
Melody Like a Bird,  
'Cuz All I Ever Wanted Was to Be Heard,  
"By You!"**

All I ever wanted was for you to see me,  
when you look my way, "Well You Don't!"  
And all I ever wanted was for you to hold me,  
as I see your hands, "Well They Don't!"

Your life is so great;  
You have all that it takes in spades.  
So that's why I decided,  
I'm gonna blow up your freakin' world!

**I'm Gonna Wrestle Down Bears,  
Dive Deep with No Air,  
Wave Surf In the Sharks,  
Show No Fear In the Dark,  
I'm Gonna Jump Out from Planes,  
and Sore In from Above,  
'Cuz All I Ever Wanted Was to Be Loved,  
"By You!", (bass solo) "Oh By You!"**

And all I ever wanted was to kiss your lips,  
at a steeple church, "Well I Do!"  
Then all I'll ever be needin' is to see your face,  
as I open my eyes, "Each Day!"

Our life of us together; Will live now and last forever.  
So that's why we should decide,  
we're gonna own this freakin' world!  
"Are You Guys Ready...?"  
(Todd Beamer's last known words)

**Baby, Run Like the Wind, Shine Bright Like the Sun,  
Pirouette Like the Swans, Our Two Will Be One.  
We're Gonna Shoot Like the Stars,  
Melody Like the Birds,  
We'll Climb the Highest Mountain, There is On Earth,  
We're Gonna Wrestle Down Bears,  
Dive Deep with No Air,  
Wave Surf In the Sharks, Hold Tight in the Dark,  
We're Gonna Jump Out from Planes,  
and Sore In from Above,  
Our Only Destination is to Fall In Love,  
"I'm You! Well I'm You! Oh, I'm You! I'm You!"  
"I'm Fallin' In Love, With You!"**

# "On Her Field of Play"

Yesterday the clouds departed.  
It was early, I was just getting started.  
I had two more loads for the old junk yard.  
By the end of day, my phone started ringing.  
It was her but she wasn't singing.  
She said, "Take a seat this is gonna be hard!"

I've been thinkin' about us.  
Over the past five or six months.  
And it's best I let you know.  
You're the star in another show.

**I Guess I Didn't Win the Game.  
I Guess I'm Not Taken the Trophy Home.  
Right Now I'm Not Living the Life,  
that God Provided,  
In My Dreams When I'm Alone.  
God I Wanna Thank You for Letting Me Stay,  
On Her Field of Play.**

Restless sleep I wake alone.  
Stumbled 'round, felt for my phone.  
I eyed the cupboard for food but it was bare.  
I gave a call to my job, said I'll be running late.  
Wiped my eyes as the radio played.  
I thought, "Am I a gambler with no chips to spare?"

I've been thinkin' about us.  
Over the past five or six months.  
And it's best you let me know.  
You're the star in another show.

**I Guess I Didn't Win the Game.  
I Guess I'm Not Taken the Trophy Home.  
Right Now I'm Not Living the Life, that God Provided,  
In My Dreams When I'm Alone.  
Look What's In Front of Me Now.  
It's Not Just a Memory from Another Day.  
I Tell You Tonight I'm Holding Tight the Light,  
That Helped Her Find Her Way.  
God I Wanna Thank You for Letting Me Stay,  
On Her Field of Play.**

I slumped over as I held my head.  
I thought out loud, "Is this the end?"  
Then I heard some foot steps on my front porch.  
The ding dong bell woke up my dogs.  
I peek-a-boo'd my mind went fog.  
She was standin' there flamin' hot as a torch.  
She said, "I've been thinkin' of this place.  
Over the past five or six days.  
And it's best if you let me know.  
If I'm the star in your life long show".

**It Looks Like I Won the Game.  
It Looks Like I'm Taking the Trophy Home.  
Right Now I'm Living the Life, that God Provided,  
In My Dreams When I'm Alone.  
Look What's In Front of Me Now.  
It's Not Just a Memory from Another Day.  
I Tell You Tonight I'm Holding Tight the Light,  
That Helped Her Find Her Way.  
God I Wanna Thank You for Letting Me Stay,  
On Her Field of Play.**

# **“Over a Lifetime”**

Follow me down this, long and lonely road tonight.  
Take my hand, and I'll lead you to the light.  
Look into my eyes, I can help you understand.  
Have faith in me, I'll take us to the promise land.

We'll go, on a journey just you and I.  
There we'll find, “Love!”

**A Promise is Made, Over a Lifetime.  
They Never Fade, Only Flow in With the Tide.  
A Promise is Made, Over a Lifetime.  
Just the Same, Only Change Within Our Mind.**

Come and see what I've,  
saved for you at my home tonight.  
All it is-is a, place for you to lie.  
You'll never know, until you wake up next to me.  
We can start slow, I just need you to believe.

And we'll go, on a journey just you and I.  
There we'll find, “Love!”

# **"Give Thanks"**

I know, you won't be alone.  
When God comes a callin' you home.  
Bestowed, upon you to glow.  
The tempo was countered, He'll show.

The gleam, in your eyes, resembles the sight.  
That shines from the mornin' daylight.  
Creek stream, flowing, awaken your dreams.  
We all get delivered, pending.

**Today, We Give You Our Praise.  
And Recognize Your Belief and Your Faith.  
You Gave, Your Time and Pay.  
To Make Sure We Had Each Day.  
We'll Stay, With You Night and Day.  
To Give Back the Love You Portrayed.  
We Pray, You Know We're Yours.  
Then Give You the Thanks, Dear Lord.**

I see, the look of belief.  
The Saints team up our relief.  
Life trees, grow down deep.  
Laid foundations, to keep.

Flash floods, will arise, steed stabled stud prize.  
Embolden the wise, we baptized.  
Pure soul, build the mold, bare witness unfold.  
Accomplished your goals, diamond coal.

**Today, We Give You Our Praise.  
And Recognize Your Belief and Your Faith.  
You Gave, Your Time and Your Pay.  
To Make Sure We Had Each Day.  
We'll Stay, With You Night and Day.  
To Give Back the Love You Portrayed.  
We Pray, You Know We're Yours.  
Then Give You the Thanks, Dear Lord.**

I dream, meditati'n' screens.  
Heaven pristine, welcomed scene.  
Wave clear, the timely appears.  
Big crowd cheers, He is near.

Wave crest, pass the test, peaked valleys on quest.  
Backbone wears a vest, read digest.  
Flown high, on the rise, spirits all come alive.  
Rainbow touch the sky, you know why.

**Today, We Give You Our Praise.  
And Recognize Your Belief and Your Faith.  
You Gave, Your Time and Your Pay.  
To Make Sure We Had Each Day.  
We'll Stay, With You Night and Day.  
To Give Back the Love You Portrayed.  
We Pray, You Know We're Yours.  
Then Give You the Thanks, Dear Lord.**

# **“Run With Me”**

Lookin' out my window,  
I see the pourin' rain.  
And memories of you and I,  
come back to help me again.

We were young and innocent,  
we could have had it all.  
Together we built a world of dreams,  
together we watched them fall.

I want to start all over.  
Come on baby let's go away.  
Forget the past, we'll make it last.  
Don't say no, just say you'll go.

**Run With Me and Never Look Back.  
I Don't Want to Stand On My Own.**

(don't want to stand on my own)

**Take My Hand and Never Let It Go.**

**'Cuz I Can't Make It Alone.**

(I can't make it alone)

I've tried so hard to forget you.  
Believe me baby it's true.  
But every time I look for love.  
I come straight back to you.

This time we'll start all over.  
Come on baby lets go away.  
Forget the past, we'll make it last.  
Don't say no, just say you'll go.

**Run With Me, We'll Make New Tracks.**

**The Road Will Be Our New Home.**

(the road will be our new home)

**Take My Heart and Love It as Your Own.**

**Baby, You're My Only Hope.**

(you're my only hope)

I don't know where were going.

But baby we can take it slow.

Take some time, we'll do just fine.

Don't say no, just say you'll go.

Solo:

**Run With Me and Never Look Back.**

**I Don't Want to Stand On My Own.**

(don't want to stand on my own)

**Take My Hand and Never Let It Go.**

**'Cuz I Can't Make It Alone.**

**Take My Heart.** (take my, it's your own)

**You've Got to, Run With Me, Run With Me.**

**You're My Only Hope.** (you're my only hope)

# **“She Had to Go”**

It's been a hard luck week.  
We're barely back on our feet.  
Losin' her was still on our minds.

She was five years old.  
Her story was just gettin' told.  
She was the apple in both our eyes.

Then the doctor came in.  
Said she's near the end.  
We both broke down and cried.

**We Might Run. We Might Stay.  
We Might Try and Kiss This Heartache Away.  
We Might Live. We Might Die.  
We Might Not Ever Be Gettin' On With Our Lives.  
And We Might Not Know Why God Told Us ...  
She Had To Go.**

She might be only a hound.  
But she's our hound we found.  
Drippin' cold outside in the rain.

She lived barely a year.  
One day she up and disappeared.  
Gone lost and we looked for days.

Then down by the creek.  
Both our knees fell weak.  
There's her collar in a shallow grave.

**We Might Run. We Might Stay.  
We Might Try and Kiss This Heartache Away.  
We Might Live. We Might Die.  
We Might Not Ever Be Gettin' On With Our Lives.  
And We Might Not Know Why God Told Us ...  
She Had To Go.**

This was my last straw.  
Lord knows I gave her my all.  
From her wedding to the front porch swing.

We had it all to ourselves.  
We only drank top shelf.  
Answered prayers was the blessings God brings.

Married 50 plus years.  
Always was my worst fear.  
Just happened so I'm here to sing.

**I Might Run. I Might Stay.  
I Might Reminisce This Heartache Away.  
I Might Live. I Might Die.  
I Might Not Ever Be Gettin' On With My Life.  
And I Might Not Know Why God Told Me ...  
She Had To Go.**

# "Storm Chaser"

Well I started my truck,  
and backed it on up,  
then I left my love,  
with a girl I met in Moore, Oklahoma.

So I set my TomTom,  
to take me long gone,  
I hope nothin' goes wrong,  
'cuz I'm headed for the shore, of Eastern Texas.

'Cuz a hurricane,  
blew in last night, knocked out city lights.  
Loud like a run away train,  
the twisters cleared my way.

**I'm a Storm Chaser Coming In from Afar.  
I'm Loadin' Up My Gear Wonderin' Where You Are.  
The Money Will Flow Like Rivers Made of Gold,  
Then After I'll Be Gone  
Until the Next One Comes Along.**

I pulled into town,  
laid my money down,  
put my feet on the ground,  
with a goal to hit the jack, pot of gold.

Then I leased me a home,  
turned on my phone,  
gave the dog a bone,  
and texted my girl that I'm back, my first jobs sold.

'Cuz a hurricane,  
blew in last night, knocked out city lights.  
Loud like a run away train,  
the twisters cleared my way.

**I'm a Storm Chaser Coming In from Afar.  
I'm Loadin' Up My Gear Wonderin' Where You Are.  
The Money Will Flow Like Rivers Made of Gold.  
Then After I'll Be Gone,  
Until the Next One Comes Along.**

Solo: "Oh Yeah!"

'Cuz a hurricane,  
blew in last night, knocked out city lights.  
Loud like a run away train,  
the twisters cleared my way, yeah, eah, eah.

**I'm a Storm Chaser Coming In from Afar.  
I'm Loadin' Up My Gear Wonderin' Where You Are.  
The Money Will Flow Like Rivers Made of Gold,  
Then After I'll Be Gone,  
Until the Next One Comes Along.**

I started my truck,  
and backed it on up,  
then I looked for my love,  
the one that I adore, I miss her so much.

Music and Lyrics, 2010: Peter J. Beauchemin

# **“Without Your Love”**

**Now I Know, We've Had a Long Hard Road.  
And We've Both, Had to Reach Our Own Goals.  
So I Won't, Pretend that I'm Whole,  
'Cuz I'm Half the Man I Am, Without Your Love.  
Without Your Love.**

There's a picture on the wall that reminds me,  
of where we came from.

There's a song on the air that just finds me,  
no matter where I've gone.

Looking out of what could be,  
leaves no doubt you're here with me.  
The second time I know will be gold,  
'cuz I've already searched my soul.

**Now I Know, We've Had a Long Hard Road.  
And We've Both, Had to Reach Our Own Goals.  
So I Won't, Pretend that I'm Whole,  
'Cuz I'm Half the Man I Am.**

The look in your eyes hypnotized me,  
I'm a prisoner of your love.  
The warmth of your heart unwinds me,  
gives the power to rise above.

Reaching out we both could be,  
doin' without sacrificing our needs.  
But together we'll find, the road that leads home,  
I don't want to be all alone.

**Now I Know, We've Had a Long Hard Road.  
And We've Both, Had to Reach Our Own Goals.  
So I Won't, Pretend that I'm Whole,  
'Cuz I'm Half the Man I Am, Without Your Love.**

Solo:

Looking back at the choices we've made,  
I'm glad we stood our ground.  
And if my father was here on this earth today,  
I'm sure we'd make him proud.

'Cuz all he hoped was our family to be,  
together in love that includes the young three.  
So I pray to God,  
"Can you help us become a family living as one?"

**Now I Know, We've Had a Long Hard Road.  
And We've Both, Had to Reach Our Own Goals.  
So I Won't, Pretend that I'm Whole,  
'Cuz I'm Half the Man I Am,  
Without Your Love.**

(now I know we've had a long hard road)

**Without Your Love.**

(and we've both had to reach our own goals)

**Without Your Love.**

(so I won't pretend that I'm whole)

**'Cuz I'm Half the Man I Am.**

**Yeah, I'm Half the Man I Am.**

**'Cuz I'm Half the Man I Am,  
Without Your Love.**

# "You and I"

Here we are you and I.  
Coming face to face with the truth,  
girl you know what's on my mind.  
Up until now I could never understand.  
How you could always give to me,  
all that I never can.

And at first I couldn't believe,  
but when you gave this to me.  
It's like a light that gives me hope,  
your promise is my gold.

**Girl, Now Take My Hand,** (boy, I'll take your hand)  
**I'll Be All I Can.** (you'll be all you can)

**then Guide Us Thru,** (you'll guide us thru)  
**to Stand Up and Say,** (then stand up and say)  
**I Do.** (you do)

All we know,  
is what we're told.  
Growing up is awful hard,  
but we can al  
ways find our hearts.  
Just don't look down, because it all comes around.  
Only ask and I'll give to you,  
all that you've never found.

And at first if you can't believe,  
look what yo  
u've done for me.  
You turned on the light, now I see what is right, Boy.  
(now I see what is right, girl)

**I'll Take Your Hand,** (you'll take my hand)  
**You'll Be All You Can.** (I'll be all I can)  
**I'll Love Your Soul,** (you'll love my soul)  
**It's Mine to Hold.** (it's yours to hold)  
**And I Know that You'll Be There,**  
(and I know that I'll be there)  
**'Cuz Boy You've Always Cared.**  
( 'cuz girl I've always cared)  
**You'll Honor to Believe,** (I'll honor to believe)  
**and Confide In Me,** (I'll confide you'll see)  
**the Guide You'll Be,** (I'll guide believe)  
**We'll Stand Up to Become,**  
(we'll stand up to become)  
**We.** (we)

Solo:

Now listen carefully,  
"If You Believe You Shall Receive!"  
Walk down the isle with me,  
and together we shall be, Lord.

**Please Take Our Hands,  
We'll Be All We Can.  
Love Our Souls,  
They'll Be Yours to Hold.  
And I Know that We'll Be There,  
'Cuz Lord We Forever Care.  
We'll Honor to Be True,  
and Confide In You,  
You'll Guide Us Thru,  
We Stand Up and Say,  
We Do.**

# **“Waves of Amber”**

It's a dark night and the tide rolls in,  
as the stars shine bright,  
with the wind whisperin' through the light,  
that shines from reflections,  
of the earth and sky,  
tonight I'm gonna help her fly,  
like a heron above that glides,  
driftin' down swirlin' to her side,  
I'll be there an undaunted knight,  
in shining armor protecting her life,  
like a guardian angel in flight,  
if it's the last thing I do,  
good bye, good bye, good bye,  
good bye...
