

“Blue Bayou Café”

Blue Bayou Café,
is where you're eating today.
There's no need for you to say,
'Cuz you already headed this way.
And we've saved for you your favorite,
seat in our very clean place.
We're always here for you 'cuz you crave,
the Blue Bayou Café.

Congratulation.
We're Glad You Gave Into Your Temptation.
In Here It's Like a Vacation.
You're at the Blue Bayou Cafe and Thank You.
