

“Bud's Barbecue”

We can't wait for the time to come,
when we meet our friends at your place and get some,
tender and juicy spare ribs on a plate.
You were my girlfriend and I's first date.
I can't wait to taste you:

**Bud's Barbecue.
Baked Potato and Cole Slaw Too.
You're Like a Dream Boat Sailing Into the Blue,
With a Cabin Full of Awesome Food.
You Know We Love You Too.
Bud's Barbecue,
There's Nothin' We Won't Cook for You.
Bud's Barbecue.**
