

“BurgerIM”

BurgerIM,
is where you begin.
The toppings depend,
what you want on them.
Eat many again,
but never pretend.
'Cuz if you're comin' on a whim,
then come as you are.

**We're BurgerIM,
and We Specialize In Flavor.
You'll Never Eat Just One,
The Greek Lamb or Falafel.
The Hawaiian Salmon's Glazed,
While the Dry-Aged Beef Has Taste.
The Spanish Beef Will Heat,
and the Grilled Chicken Has Greens.**

**But Most of All,
BurgerIM,
Make the Call.**
